# LHS GOLF FAQ'S

## HOW DO MY GRADES AFFECT MY ABILITY TO PLAY?

If you fail any classes in the 3rd quarter, you must wait 15 SCHOOL days to get your grades up and be passing by the 15th day in order to play in meets. You can practice during this time, but cannot play in any meets. If you are failing ANY courses at ANY TIME during the season you will not be allowed to leave the school building early to go to a meet. Your grades come first!

## WHAT DO I WEAR TO PRACTICE?

You can wear what you wear to school. Jeans, t-shirts, shorts and/or pullovers are fine any time. Avoid anything that is inappropriate or sloppy; we are guests at Camelot and we set a high standard. Please dress for the weather. Avoid anything bulky; wear thin layers. Consider getting rain gear as we play in all kinds of weather EXCEPT LIGHTNING.

## WHAT TO I WEAR TO GOLF MEETS?

By WIAA rule, NO JEANS are allowed. You must wear a collared shirt and dress pants (black or khaki pants will do.) You are free to wear any outerwear you need. You'd be wise to bring along dry socks and a shirt for days with rough conditions. No attire or gear can have inappropriate references.

## WILL THERE BE AN LHS GOLF CLOTHING SALE?

YES! We are putting the finishing touches on an LHS Golf online store. You can order what you wish, pay for it online and get it in about 2 weeks. You will be alerted when it starts.

## WHAT EQUIPMENT DO I NEED TO HAVE?

You should have your own clubs, shoes, golf balls and gear. If you are lacking any (or all) of these things, we will be happy to help. We supply you with all the golf balls you need for practice and meets. We also have several decent sets of clubs for your use.

## WHO CAN JOIN THE TEAM?

EVERYONE! No one is excluded. We hope that people going out for golf know the game and can score under 60 for nine holes, but we can work with any skill level if you are willing to try
